Revision of Equipment Imbalance Surcharge (EIS)

Dear Clients,

The increase in space demand for shipping services worldwide continues to add pressure on both container supplies and vessel space.

Therefore, MBf Carpenters Shipping Line had implemented Equipment Imbalance Surcharge (EIS) with a quantum of Usd 140 per 20”GP & Usd 280 per 40”HC effective from 8th December 2020. However, the current space demand with increase in feeder and ad-hoc equipment cost continued to intensify hence MBf Carpenters Shipping need to adjust the quantum as per below:

ORIGIN	DESTINATION	TEU	FEU
South East Asia, North Asia, India Sub Con	Papua New Guinea, Solomon Island and Vanuatu	USD 300.00	USD 600.00

Above change in EIS quantum will take effect for all MBf Carpenters Shipping bill of lading issued on and from 15/12/2020 onwards.

Thank you for your understanding and continuous supports. For further clarification on this announcement, please feel free to contact your local representatives.

Yours Sincerely
