Equipment Imbalance Surcharge (EIS)

Dear Clients

Due to the strong demand of containers from Asia and consequent need of costly ad hoc inventory repositioning, MCSL will implement an Equipment Imbalance Surcharge (EIS) for dry cargo moving from Asia to Papua New Guinea, Solomon Islands and Vanuatu with effective from 8th December 2020 until further notice.

The quantum of EIS will be USD140 per 20'GP and USD280 per 40'HC for shipment from all Asia ports.

Thank you for your understanding and continuous supports. For further clarification on this announcement, please feel free to contact your local representatives.

Yours Sincerely
