Revision - South Asia Surcharge (SAS)

Dear Clients

Further to our notice on 27th November 2020 regarding the escalating costs to move cargoes to South Asia. The continuous pressure on vessel space and increased cost to access these services has left MBf Carpenters Shipping unable to sustain previous level of surcharge imposed for South Asian Port calls.

Therefore the new quantum of the South Asia Surcharge (SAS) has been revised to USD750 per 20'GP and USD1,500 per 40'HC for all shipment from Papua New Guinea, Solomon Islands & Vanuatu into India, Sri Lanka, Pakistan and Bangladesh. These charges come to effect for all BL dated 15/12/2020 onwards until further notice.

Thank you for your understanding and continuous supports. For further clarification on this announcement, please feel free to contact your local representatives.

Yours Sincerely

Trade Management
