MV Carpenters Vega

Dear Clients

MBf Carpenters Shipping Limited is pleased to announce the deployment of Carpenters Vega into our New Guinea Shuttle Service.

Carpenters Vega is a year 2020 built C-class vessel. She will be phase in upon her arrival at Port Klang and begin her voyage 2115S replacing Carpenters Sirius.

We thank all our clients for their continuous supports and we will continue to render first class service to the market. Please feel free to contact your local representative for further clarification.

Yours Sincerely
